We appreciate all the children that sign up for the Deerfield Recreation basketball program. However, because of gym time constraints and coaching availability, we cannot accommodate requests for specific practice days because of a child's prior commitments. We also try to make all teams equal in ability based on a skills assessment process and we are unable to take friend requests when selecting teams as well. Deerfield Recreation programs enable children to enhance their skills and knowledge of the game. We also emphasize responsibility, commitment and team building by asking that children attend games and practices.

**Thank you for your understanding.**
