

Deerfield Energy Committee June 20, 2019

Attendance - MA Swedlund, Steve Eipper, Jay Stryker, David Gilbert Keith, Laurie Boosahda

1. Minutes Taker: Laurie
Minutes of May 23 - move MA, 2nd, Jay accepted unanimously

2. Aggregation - Colonial asked about Biomass inclusion
Bob Armstrong - Conway Selectboard at FCCPR mtg: DOER decided to change rules on woodburning
(removed clean-burning - possibly connected to shipping energy to ME)

MA moves that we send a letter to DOER to express disagreement with reg changes,
Laurie seconds,
All approved
MA moves that DEC tell Colonial **not** to include biomass in Class 1 (local, greenest).,
Steve E.seconds,
all approved

3. Transfer station:
 - a. Composting: well-received, invoice due to FCSWMD, Pat Kroll submit for payment
 - b. Jan Ameen's report: town comparisons, recycling goals - shared information

4. Landfill Solar Update - still in limbo due to lack of clear incentives from DOER

5. Green Communities - follow-up needed

6. Solarize Program - e-mail sent to Whately, Sunderland, Conway. MA and Laurie will pursue

7. Charging Stations - Survey got 79 responses with 7 who now drive electric cars, and 12 who may buy one in near future Laurie will contact Kristin , teacher of Enviromental Club at Frontier, and Olivia Leone about a presentation to the School Committee, and look into grant to purchase chargers

8. Schedule next meeting - July 25, 2019

9. Moved to adjourn: Steve 5:25pm

Respectfully Submitted,
Laurie Boosahda
