

## Deerfield Energy Committee Minutes 10/22/19

Attendance: David Gilbert-Keith, Steve Eipper, Jay Stryker, MA Swedlund, Laurie Boosahda,

1. Minutes: a. Taker - Laurie

b. Review of September 26, 2019 Steve E. moves to accept, Jay seconds -  
unanimously accepted

2. Landfill Solar Update - Beth Greenblatt reported that project can count as "municipal" if town owns the land and the town is the "vendor"; same adder benefit can come from "Community Shared Solar" - which NexAmp does in other areas

3. Charging Stations - Diana reported that she hasn't yet begun the process. Laurie will connect with Kevin. MA will contact Diana to facilitate application process

4. New Member - Read waiting for Selectboard approval

5. Green Communities - report due. David will call Alyssa at FRCOG

6. LED streetlights - MA and Read will continue to investigate

7. Aggregation - no new news

8. Solarize - MA will go to Sunderland Energy Committee meeting on Nov. 4 at 7 pm. to determine whether joint application makes sense.

9. Other Initiatives:

Transportation and Climate Community Engagement workshop Nov. 4, 6 - 8 pm at HCC

Suggestion - school busses be electric to reduce health impacts on children

Window insert workshop - Laurie and Steve S will try to attend Sunderland workshop

9. Next meeting - Tuesday, November 19 - 5 pm

Jay moves to close, Steve E. seconds Meeting adjourned at 6:10 pm

Respectfully Submitted,

Laurie Boosahda
