Essex Steam Train & Riverboat

\$139 p/p

Date: Thursday, September 3, 2020

Join us for a wonderful day out as we journey through the heart of the scenic Connecticut River Valley aboard the only steam train and riverboat ride in the U.S. The day begins with a 3-course luncheon in 1920's era Pullman luxury train for a 12 mile train ride. After lunch, the train arrives at the Mississippi-style riverboat, Becky Thatcher for a delightful cruise on the Connecticut River for a one of a kind cruise that will take you on a journey across deep water, coves, inlets and marshes! See lots of wildlife, the rocky shoreline and overall breathtaking scenery! You will then hop back on the train to return to the station. This is one trip you do not want to miss!
