

PLAYFUL ENGINEERS

With Jay Mankita

October 4

5:30-7:30PM

Deerfield Town Hall

8 Conway St.

South Deerfield

A FREE hands on workshop for kids in grades K-6 and their families.

Jay guides and inspires participants to construct delightfully complicated contraptions that perform simple tasks.

Jay supplies dominoes, popsicle sticks, rubber bands, string, pulleys, buckets, tracks, ramps, lego cars and more as well as pre-built catapults, mini zip lines, marble runs and much, much more!

Ping Pong Ball catapults

Domino wall falls

Exploding popsicle stick snakes

Pulleys, ramps and wheels
